BLOCK³

ABBREVIATION REFERENCE: AIR = American Indian Reservation; Trust Land = Off-Reservation Trust Land, TJSa = Tribal Jurisdiction Statistical Area, TDSa = Tribal Designated Statistical Area, ANVSA = Alaska Native Village Statistical Area, ANRC = Alaska Native Regional Corporation, CDD = Census Civil Division, CDP = Census Designated Place, BNA = Block Number

FEATURES

Highway	Pipe/Power Line	Stream/Shoreline
Secondary Road	Ridge/Physical Feature	Intermittent Stream
Leap Trail/Highway/Trail	Property/Fence Line	River
Railroad	Nonvisible Boundary	Glacier
	Inset	Out Area

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol only and the label for the boundary. These boundaries:

- 1 A "1" following a place name indicates that the place is also a false MCD; the false MCD name is not used.
- 2 In 1990, the crews of vessels populated at sea was allocated to census tracts with a "98" prefix. An anchor symbol appeared on the 1990 maps locating a crew's vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the anchor.
- 3 A "3" following a block number indicates that the block number is repeated elsewhere in the map.

The diagram illustrates various types of boundaries and features in a landscape, categorized into three columns:

- Left Column:**
 - Highway:** Represented by a solid black line.
 - Secondary Road:** Represented by a dashed black line.
 - Jaco Trail/Walkway/Path:** Represented by a dotted black line.
 - Railroad:** Represented by a line with cross-ticks.
 - Modality:** Represented by a blue dotted box.
- Middle Column:**
 - Pipe/Power Line:** Represented by a line with small circles.
 - Ridge/Physical Feature:** Represented by a line with small triangles.
 - Property/Tenure Line:** Represented by a line with small squares.
 - Nonvisible Boundary:** Represented by a dotted black line.
 - Inset:** Represented by a grey box with a dashed border.
- Right Column:**
 - Stream/Shoreline:** Represented by a blue line with small circles.
 - Intermittent Stream:** Represented by a blue line with small triangles.
 - River:** Represented by a blue wavy line.
 - Glacier:** Represented by a blue wavy line with a white center.
 - Out Area:** Represented by a grey box.

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- ¹ A "*" following a place name indicates that the place is also a false MCD; the false MCD name is not shown.
- ² In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a ".99" suffix. An anchor symbol appeared on the 1990 maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.
- ³ A "*" following a block number indicates that the block number is repeated elsewhere in the block.
